

## Neonatal Intensive Care Unit (N.I.C.U.)

Amico is pleased to introduce a new addition to our Architectural Line .....The Noble Series Neonatal Intensive Care Unit. This system can be custom designed to fit any location desired. Please contact Amico for details.

## Heavy Duty Digital Manifold

As of January 1, 2004 we will be excluding our extended wall bracket from our heavy duty digital manifold. If you require this item, please use this part number when ordering M2-X-MAN-SUP.

## The 2 Gas Alarm

Amico is pleased to release the Two Gas Retro-Fit Panel. The new panel is ideal for Retro-Fitting Alarms. It can be stacked above each other as well as used individually.
